Easy Cheese Blocker™ / Easy Cheeser™

Take your 40-pound cheese blocks down to any number of uniform shapes and sizes in seconds, with these two durable, easy-to-use devices.

Like a Hot Knife Through Cheese

Nemco brings you two fast and conveniently simple countertop tools that take all the work out of breaking your cheeses down into smaller portions.

Cut your bulk cheeses into manageable sizes with the Easy Cheese Blocker

- The calibrated notched cutting guide ($\frac{1}{2}$ " increments) and the easy-action cutting bow ensure straight, even cuts precisely to the size you need.
- Even the densest cheeses are no match for the tough, stainless steel construction and durable cutting wire.
- Clean up and cutting wire replacement are super easy, saving time.
- Process 40-lb cheese block, 35-lb cheese wheels or smaller.

Cut your smaller cheese portions into uniform cubes, sticks or blocks with the Easy Cheeser

- Easy-to-use slicing arm slides right through cheese of any thickness or density.
- All steel construction provides lasting performance.
- Stainless steel cutting wires are easy to replace.
- Cutting area accommodates $\frac{1}{3}$ of a 5-lb cheese loaf.

Easily interchangeable slicing arms offer $\frac{3}{8}$ " or $\frac{3}{4}$ " cuts.

Suggested Uses

The Easy Cheese Blocker combines with the Easy Cheeser to quickly turn bulk cheeses into portioned amounts for salad bars, deli trays, party packs, in-store sampling, hors d'oeuvres and specialty trays.
