

# Sterno® Ethanol Gel Chafing Fuel

## 3x1 Gallon

Gallon size is ideal for high volume, non-chafing fuel applications. Perfect solution for products like dim sum carts & pu pu platters!

### Features & Benefits:

- Ideal for high volume users of non-chafing fuel applications like dim sum carts & pu pu platters
- Unique solid formula allows for scooping and easy dispensing with no sticky residue
- Maintains solid structure while burning
- Smaller pack size makes it lighter and easier to load and unload for end users
- Packaging compliant for USA and Canada distribution

Case Pack: 3
