Aluminum Pan Rack

Designed for bakery and foodservice pan storage and transport, this aluminum rack features 40 slide positions with precision bearing swivel casters for smooth mobility.

Features:

- All welded aluminum 1" tubing
- Runner angle 1" x 1.5"
- **Lifetime Warranty Against Rust**
- Rolling Capacity: 800 lbs
- Weight Capacity per Runner: 20 lbs
- (4) Swivel plate casters

Benefits:

- Lightweight aluminum construction supports daily handling and transport.
- 40-slide capacity provides organized storage for multiple pans.
- Precision bearing casters promote smooth rack movement.
- Structural components reinforce rack stability during transport.
- Suitable for bakeries, restaurants, cafeterias, food prep kitchens, and other foodservice environments where mobile pan storage is needed.
