Mobile To Go

NSF NEW

This Mobile To Go station comes with five shelves and offers a black epoxy finish, which helps packages stand out, making them easier to spot. Eliminate congestion around counter spaces by reducing traffic around the register so that customers and delivery drivers may easily pick up their orders in a convenient location. Use the label holders on each shelf to arrange and alphabetize the orders. Adjustable shelves enhance order visibility, accessibility, and security. This station has a pick up sign to draw customers and delivery people's attention and give them the convenient pick up experience.
