

Flex 600

Electric steak grill Rustica 400

Manufacturer: Locher Großküchen-Geräte GmbH

Model: 206461

Description:

Table Top model with non-stick iron grill grates.

Module made entirely from 304 grade stainless steel. Rounded angles and smooth surfaces enable easy cleaning of the unit. Inspection cover, back cover and lower division plate are removable for servicing. 4 adjustable feet that can be removed for installation on an optional compartment. 20 mm backsplash on the rear. Overhang on left and right side for clamping bar application.

With swivelling heating element and two removable non-stick iron grill grates (each 150x450 mm). The grates are located directly on the heaters.

Heating elements can be completely swivelled and locked out of the fat tank (this cuts off the power supply) for easy cleaning. Fat tank with drain incl. 3/4" ball valve in faceplate.

Fat tank can be filled with water for easier cleaning (tank depth approx. 150 mm)

The simple operation is carried out by an infinitely variable temperature control via thermostat with operating and heating display. The steak grill has a controllable heating zone

Included accessories:

Spatula and lead with CEE 16A

Optional:

- Clamping bar
- Compartment
- Hinged doors for lower compartment (left or right handed)
