# Camshelving® Elements Series Undercounter Units

New Elements Series Undercounter Units create usable storage space under most standard counters and tables, keeping items within easy reach of cashiers and front counter staff. Ideal for storing condiment packets, napkins, utensils and other to-go or delivery items needing quick and easy access.

- Easily wipes clean. Shelf plates are dishwasher safe.
- Simple to assemble and adjust.
- Available as stationary or mobile 2-shelf units.
- Units ship complete in one box with factory-assembled post kits.
- Units offered with vented shelf plates with Camguard® antimicrobial protection.
- Use with Camshelving Shelf Rails or Identification Tags to better organize and secure shelf contents.
