

FREEZER COMPACT F420L C DR G U

Product series: Compact

Item number: 163422030

The HOSHIZAKI COMPACT F420L C DR G U is a FREEZER with a net usable volume of 265 Ltr.

The COMPACT series offers a rare combination: These cabinets are food safe, space-saving, and come with excellent energy ratings for its class. With a footprint of only 59.5 x, 64.5 cm these small space storage cabinets are easy to fit in, especially when space is limited. These specifications make the series such a popular choice of those operators who do not require heavy-duty Gastronorm equipment.

Food Safety

Thanks to the Gram air distribution system, temperatures are correct and uniform throughout the entire cold room, ensuring perfectly food-safe temperatures at all times

Low-Running Energy Costs

The Energy Efficiency Class of the COMPACT F420L C DR G U is C. The COMPACT series offers a range of extremely energy-efficient refrigeration units for small spaces.

Comfortable Work Environment

Contributes to a healthier work environment with low noise levels 39.7 dB(A), when the compressor is running. Low heat emission due to short compressor running times.

Hygiene & Ergonomic Design

Just like all GRAM units, the COMPACT series features several design extras, implemented to simplify daily cleaning routines. One of the features for optimized operator safety is the full-height integrated handles.

Modularity & Scalability

The COMPACT F420L C DR G U strikes with its versatility, as the units can be stacked, paired, or even combined with other kitchen devices. Configuration possibilities include column combinations, side-by-side combinations, wall-mounted solutions, and the combinations with microwave ovens on top.

The COMPACT F420L C DR G U comes with the following extras:

- Refrigerant: The FREEZER uses HC refrigerant R600a
- Air circulation system
- Right-hand hinged door
- Integrated full height door handle
- Internal LED light
- Anti-tilt shelves
- Door lock for extra security
- Pedal door opener for handsfree operation (optional accessory)
- Automatic defrost with re-evaporation of defrost water
- 10 years spare parts warranty guaranteed

SPECIFICATIONS

Product title	FREEZER	Energy consumption Ecodesign AEC (kWh/Year)	1086
Temperature range	-25/-5°C	Energy Efficiency Class (ISO 22041-2019)	C
Volume, gross (ltr.)	343	Energy Efficiency Index EEI	39.06
Net usable volume (ltr.)	265	Sound level – dB(A)	39.7
Exterior	White Finish	Climate class	4
Interior	White Finish	Legs / Castors	H = 125 mm (C2)
Dimensions W x D x H (mm)	595 x 645 x 1900	Refrigerant (kg)	0.047
Weight, packed (kg)	88	CO2 equivalent (kg)	0.016
Insulation (mm)	52 mm (polyurethane)	GN – Shelf size	Shelf 483.8 x 433 mm
Refrigerant	R600a	Maximum number of shelves	26
GWP	3	Number of shelves	5
Refrigeration capacity at -25°C (Watt)	217	Equipped with	Right hand hinged reversible door with lock, 5 white shelves, bottom shelf 484.7 (W) x 300 (D) mm. Exterior: White. Interior: PS lining in white
Connection	230V, 50 Hz	Door Type	Solid Door
Connection load (Watt)	140
