# Specification Sheet

## Short Form Specifications

Eagle RedHots® Heat Lamp, model \_\_\_\_\_. Extruded aluminum exterior housing, with interior aluminized reflector plate to focus heat. Available in standard or high wattage. Units with lights have 60-watt bulbs with shatter-proof Teflon coating, with dedicated switch. All units have toggle switch with indicator light per heating element. When ordering remote, please specify if toggle or infinite switch is needed.

## Remote Switch Boxes for Heat Lamps

### Design and Construction Features

- 120V, 208V, and 240V units available.
- Standard and high-watt units offered.
- Units with lights feature 60-watt bulbs with shatter-proof Teflon coating. Lights have dedicated switch.
- Exterior extrusion constructed of #6063 aluminum.
- Interior with aluminized reflector plate to focus heat.
- Each heating element controlled individually via toggle switch with indicator light.
- Heat lamps can be attached with stainless steel brackets or hung from the ceiling using hanging tabs.
- Optional remote switch box available with toggle switch or infinite switch. All switches come with indicator light (see chart below for applicable Remote Switch Box, see back page for all Heat Lamps).
