

SPM-45

Pastry & Turnover Machine

Folds! Crimps! Trims! Seals!
All in one operation! Up to
800 pieces per hour!

The SPM-45 is a simple hand operated machine which can create big profits for your business. It can make a wide range of different products by simply changing the dies. All finished products will have a perfect seal with no need to brush the edges with egg wash or other sealants.

1.

Place dough on die

2.

Add filling and rotate handle 1/2 turn

3.

Finished product drops at bottom
