

SR-UH36 PRO RICE COOKER

Easy-to-use rice cooker that gives you excellent results in a few minutes. With machine set on “keep warm”, cooked rice can remain inside the cooking pan for several hours. The non stick pan is removable for cleaning and the lid can be easily opened. It is designed to be easy to handle and move around the kitchen. The rice cooker is perfect for hot buffets, pubs, traditional and self service restaurants, canteens and take-aways.
