

Vertical Broilers

Gas

Model: KB-4

- ☐ KB-2 Gas Vertical Broiler (2-burners)
- ☐ KB-3 Gas Vertical Broiler (3-burners)
- ☐ KB-4 Gas Vertical Broiler (4-burners)
- ☐ KB-5 Gas Vertical Broiler (5-burners)

STANDARD FEATURES

- Stainless steel structure
- Individually controlled infrared burners
- Power up to 9,500BTU for NG and 8,000BTU for LPG
- Stainless steel heat shield on both sides
- Distance can be adjusted between cooking spit and burners
- Continuous pilot for instant ignition of main burner
- Stainless steel oil collector
- Designed for high performance and consistent results
- Heavy duty motors
- 3/4" NPT rear gas connection

Model	Voltage	RPM	Gas Type	Manifold Pressure	Total BTU/Hr.	Meat Capacity	Burners	Spit Height	Width	Depth	Height
KB-2	120V	4	Natural Gas	4" W.C.	19,000	45 lb.	2	15"	21"	23"	23"
			Liquid Propane	10" W.C.	16,000
