

NPEO**ELECTRIC OVEN**

Robust and reliable, the Parry electric oven is manufactured from high grade stainless steel. Featuring an easy-to-clean enameled interior, the top mounted fan and graduated drop down triple glazed door assist steam release. Two chrome adjustable shelves are also included.

Unpacked weight (kg)	40
Dimensions (w x d x h) mm	605 x 600 x 700
Plug	1
Power rating	2.9kW
Warranty	2 years

KEY FEATURES

- Thermostatically controlled which regulates the maximum temperature of 250°C
- The oven has two elements giving you the option of using either the 1.8kW three ring rear fan element or the 1.1kW lower element or both together
- Triple glass door which consists of one layer of thermo-reflective glass and two other layers of glass which help to reduce the temperature on the outside face of the door
- The internal glass door is siliconised and forms one unit with the inner door
- Drop down oven door fitted with a safety hinge and has no external screws making cleaning the unit much easier
- Door cooling fan to provide a stream of cool air to flow across the outside of the door and handle
- Manufactured from high grade stainless steel with a smooth enamelled internal cavity for easy cleaning
- Replaceable rubber door seal
- Supplied with an internal light
- This unit can also be used to sit the hob unit N1871 on top
- Unit supplied with two internal shelves
- Supplied on a 13amp plug

AVAILABLE ACCESSORIES

- N1871 - Countertop four ring electric hob to sit on top of the unit

BUILT FOR PURPOSE IN BRITAIN

With a 40-year heritage steeped in British craftsmanship, we specialise in bespoke stainless steel catering equipment. Supporting the UK economy – 95% of our products are manufactured at our Draycott factory – we believe in high quality equipment designed for daily use.

We're committed to collaborating with you, and we're constantly looking for ways to help you achieve maximum benefit from your relationship with us. That's the philosophy behind the Parry Partnership, which we've created to ensure that we exceed your requirements and help drive the growth of your business.

WARRANTY AND SPARES ARE BACK IN-HOUSE

After listening to your views and taking on board your feedback, we took the decision to bring our warranty service back in-house. What's more, we've extended it to two years (including parts and labour) across all Parry products.

info.parry.co.uk/the-parry-warranty

And with spares in-house, too, we're able to provide a complete after-sales service, combining exceptional value and speedy delivery. As a result, you have a direct link to our factory floor, which means you'll bid a permanent farewell to supply chain hassle.
