

MOUNTAIN SERIES - STAND-MOUNTED STORAGE BOXES

Wood Stone's Mountain Series Stand-Mounted Storage Box is constructed of stainless steel. When installed, it rests on the oven stand, and the face of the box is flush to the front legs of the stand. The box must remain removable for service access.

Mountain Series Stand-Mounted Storage Boxes are intended for use only with -W, -RFG and RFG-W models. They cannot be used with IR-equipped models. Storage Boxes for IR-equipped models are called Storage Box Facade Extensions, and can be found in the Facade Extensions section on the next page.
