Commercial Gas Stock Pot Stove, Natural / LP

Models: NGSP-1 / NGSP-2

The Spectrum Gas Stock Pot Stoves are designed for the kitchen that has limited space and requires a low work height for large pots. Available in 2 sizes, these units are equipped with high-performance burners, heavy duty single-piece cast iron grates, removable crumb tray and a storage area below the control panel.

All units ship Natural Gas ready with an LP conversion kit

Standard Features

- ◆ Three concentric ring burners per grate for a total of 80,000 BTU
- ◆ Each section has two manual controls to operate inner and outer rings separately
- ◆ Stainless steel body, legs and drip pan
- ◆ Heavy duty cast iron grates
- ◆ Standing pilot ignition system with stainless steel pilots and pilot tubes
- ◆ Convenient storage area in cabinet
- ◆ 3/4" NPT rear gas connection with regulator
- ◆ Ships ready for Natural Gas service with LP conversion kit and reversible regulator
- ◆ One year parts and labor warranty
