STANDARD SHEET PAN BOARD

[DOWNLOAD SERIES](#)

Epicurean's Sheet Pan boards fit perfectly into standard full-sheet, three-quarter-sheet, and half-sheet pans. Juices and liquids can flow away from your food and collect in the pan, keeping your cooked food from getting soggy and slippery. The Sheet Pan Boards are 3/8" thick, so they can take any amount of abuse you throw at them. All of the boards can be cleaned in any commercial dishwasher.
