## Stainless Steel / Aluminum Mobile Lug Carts

Store and transport products with the Mobile Lug Carts. The perfect solution to cut down product handling time.

### Features:

- Constructed of all welded aluminum (AL) and stainless steel (SS)
- **Lifetime Warranty Against Rust**
- 10" Spacing between runners
- Rolling Capacity: 1200 lbs
- Maneuvers easily on (4) 5" swivel polyurethane casters.
- **Lugs are sold separately**

### Benefits:

- Multipurpose cart designed for storage and transportation of kitchenware and more.
- Minimize lifting and carrying
- Sanitary and easy to clean
- Safely and efficiently transport items
- Ensures conformance to FDA rule that requires the storage of all fresh produce be at least 6" above the floor.
