TS Series	TSD Series
TS12BLD	TSD12BLD
TS18BLD	TSD18BLD

MODEL NUMBERS - TS12BLD, TSD12BLD, TS18BLD, TSD18BLD

KEY PRODUCT FEATURES AND BENEFITS

- All stainless construction for durability
- Great for applications where blended drinks are in high demand
- Unit with sinks are available
- Sound deadening materials are applied for quiet operation
- Convenient front mounted heavy duty shelf with access hole for electrical cord supports most modern commercial blenders
- Stainless steel legs install without tools and have rust free thermoplastic adjustable feet

Quick Features:

- Low front step keeps the blender low and easier to work around
- Power cord hole in the shelf allows the cord to hang down below the unit keeping the appearance neat on top
- Large work surface for drink prep, and storage of supplies
