## Designed Smart

### Equipment Packages to fit your Operations!

Available in a style to fit your operation:

- High impact “Nacho Cheese” and “Buttery Popcorn” signs build impulse sales of these key snack items.
- Comes in a 4 quart inset and ladle package.

### Designed to Deliver Dependable, Safe Temperatures

- Unit heat quickly and have fast recovery for unexpected surges in demand.
- Double boiler construction maintains a temperature of up to 140 degrees.
- Infinite control heat system offers more accuracy than toggle switch systems.

### Easy to operate

- W-4B holds a standard #10 size can.
- Heated warmer is provided with 4 qt inset, slotted hinged cover and 1 oz ladle. Just empty sauce or butter into inset, heat and ladle out over meals or snacks.
- Unit is compact and portable.
- Unit is fully insulated to focus heat on interior warming area and to keep outside surfaces safe.

### Easy to Maintain

- Heated 4 Quart Warmers are designed to require minimal labor:
- Stainless steel exteriors are easy to wipe clean.

Hot Butter Warmer
