

Waffle Iron

---

## GES20

The GES20 Waffle Iron is specifically for “Liege” pattern waffles. The cast iron plate features 2 grids 4 x 6 squares so can cook 2 waffles at a time. Using either a specific batter or pre-formed waffles the GES20 will produce great tasting waffles in just a couple of minutes. The elements are seated beneath both cooking plates giving rapid and even heat across the whole cooking area. The GES20 has a 4 sided drip tray making it suitable for use with fresh or frozen waffle dough and fresh batter mix.

Features: power on neon, surround drip tray, cast iron cooking plates, 300'c thermostat.

Accessories: waffle fork
