

Model

RET370A

Product Description

Slicer, 370mm (15"), Retro Flywheel

Product Code

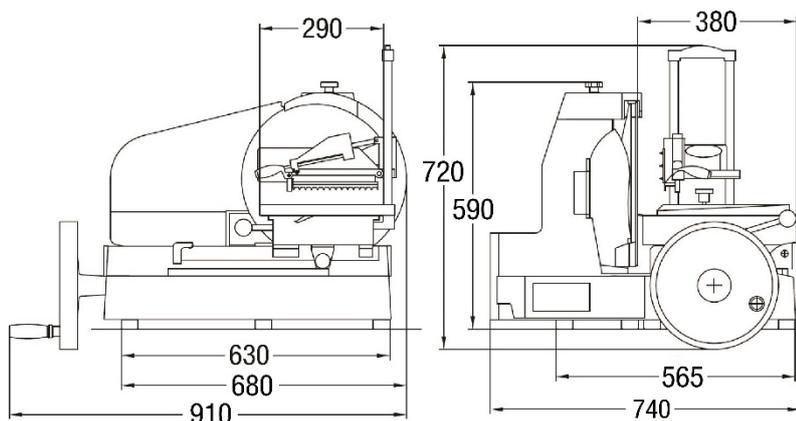

5S524N

Standard Features

- Beautifully crafted, showpiece vertical slicer
- Available with retro style pedestal (sold separately)
- Featuring perfectly balanced chrome plated steel blade for perfect slicing
- Able to produce very thin, accurate, sliced meats without discards and scraps
- Designed to cut all kinds of cold cuts and cured meats
- Hand crafted in aluminium and stainless steel and finished in red enamel (as standard – other colours available as special order)
- Meat table and blade movement are fully co-ordinated and geared to the rotation of the flywheel
- Product being sliced moves automatically towards the blade
- Double sliding plate with lockable hand grip holds meat securely in place to ensure consistent slicing
- Manual flywheel or fully automatic
- Simple and intuitive control panel allows the operator to select speed of blade and carriage, slice thickness and number of slices to be cut
- CE Approved
