

PC140G

PIE MASTER PIE CABINET WITH GLASS BACK

Ideal for use in stadiums, events and high turnaround takeaway establishments, the Parry PC140G pie master pie cabinet has a huge 140 standard pie capacity. Also perfect for storing pastries, sausage rolls and pasties, the Parry cabinet features an internal light to encourage impulse purchases of hot food. The sliding toughened glass doors help to retain the internal temperature, the stainless steel construction ensures that the unit is sturdy and easy to clean, and the internal water reservoir maintains the quality of the food, saving wastage and money.

BUILT FOR PURPOSE IN BRITAIN

With a 40-year heritage steeped in British craftsmanship, we specialise in bespoke stainless steel catering equipment. Supporting the UK economy – 95% of our products are manufactured at our Draycott factory – we believe in high quality equipment designed for daily use.

We're committed to collaborating with you, and we're constantly looking for ways to help you achieve maximum benefit from your relationship with us. That's the philosophy behind the Parry Partnership, which we've created to ensure that we exceed your requirements and help drive the growth of your business.

WARRANTY AND SPARES ARE BACK IN-HOUSE

After listening to your views and taking on board your feedback, we took the decision to bring our warranty service back in-house. What's more, we've extended it to two years (including parts and labour) across all Parry products.

info.parry.co.uk/the-parry-warranty

And with spares in-house, too, we're able to provide a complete after-sales service, combining exceptional value and speedy delivery. As a result, you have a direct link to our factory floor, which means you'll bid a permanent farewell to supply chain hassle.
