TRITON

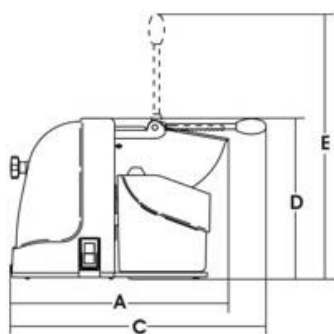

Triton allows to crush ice in different sizes by adjusting the blade:

- finely crushed ice for the traditional Italian granitas
- flakes for frozen cocktails or to serve or display cold dishes
- safety microswitch on the feeding mouth
- safety microswitch on the collecting tray
- polished aluminium feeding mouth
- stainless steel parts and details
- aluminium and stainless steel internal structure
- body and tray are made from thermoformed alimentary plastic
- ribbed belt for low power absorption.

DETAILS

TECHNICAL DATA
