

*Opus* 800

### PRODUCT FEATURES

- Four independently controlled heat zones to meet varying service demands
- Real flame for authentic chargrilled flavour
- Removable, heavy-duty segmented cast iron grids deliver attractive branding marks
- Enameled base plate beneath grids for easy cleaning
- Vapourising technology turns fat and debris into ash for simple sweep-out cleaning
- Three-piece stainless steel splashback for easier cleaning
- Designed to complement the Opus 800 series
- Supplied with legs and locating cups for secure placement on a Chef Base
- Grid lifting tool and cleaning rake included as standard
- Optional single resting rack
- Optional garnish rail to hold GN 1/9 pots
- Optional stand is available for flexible installation

Opus Ignite offers authentic char grilling without gas or solid fuels, supports the move toward fully electric kitchens, and helps operators reduce energy use and environmental impact - all without compromising on taste.
