“*Bugambilia® is by far the most durable food safe container on the market today. The variety of shapes, sizes, and colors allow us to be creative as well as cost-effective with volume production portion control with salad choices. All the items we carry are heavily used on our banquet events, and we have a ton of banquets. Their strongest point is the fact of wear and tear. I can truly say at this point we have reached our return on our initial investment.*”
