Decorative Carving Stations

Models: DCS400-1, -1CM

DCSB2-R24-1, -2420-1, -3624-2

An eye-catching solution for carving and serving, the Hatco Decorative Carving Station features a stylish Decorative Lamp and is available in multiple configurations, including post mount, counter mount, and freestanding models with an integrated heated simulated stone base. Designed to deliver both visual appeal and reliable performance, these stations are ideal for chef-served presentations in restaurants, hotels, country clubs, casinos, and catered events.

Standard features

- Available as freestanding (DCSB2 models) with a round or rectangular heated simulated stone base, post mount (DCS400-1 models), or counter mount (DCS400-1CM models)
- Patented telescoping heated lamp(s) with a 30° shade pivot adjust to accommodate food products, putting the heat and light where it is needed most
- The height of the heat lamp(s) is adjustable, measured from the bottom of the lampshade to the countertop (DCS400 models) or cutting board (DCSB2 models):
 - DCSB2 models: 14" to 26" (356 to 600 mm)
 - DCS400 models: 16" to 28" (406 to 711 mm)
- Clear coated, 250 watt bulb(s) included
- Models with simulated stone finishes are Swanstone®

DCSB2-R24-1, -2420-1, -3624-2:

- Posts fold down for convenient transportation and compact storage of units
- Include a thermostatically controlled heated base
- Sneeze guard is 5" (127 mm) above the heated base for easy accessibility and is removable for easy cleaning
- Heated bases and cutting boards are made of foodsafe materials
- Cutting board matches colors of heated base

DCS400-1:

- Includes a black base for stability and to minimize the risk of tipping

DCS400-1CM:

- Designed to be mounted to a countertop with a simulated stone trim ring

DCS400-1CM with optional Plated finish Antique Bronze post & shade and optional Ice simulated stone trim ring

DCS400-1 with standard Plated finish Bright Nickel post & shade and optional Birch base

DCSB2-R24-1 with standard Plated finish Bright Nickel post & shade and standard Ash Gray simulated stone heated base

DCSB2-2420-1 with optional Plated finish Antique Brass post & shade and standard Ash Gray simulated stone heated base

DCSB2-3624-2 with optional Plated finish Bright Copper post & shade and optional Birch simulated stone heated base

Options (available at time of purchase only)
