

Gamma Marine 316 Bar Height Base – 22”x22”

The Gamma Marine 316 is perfect for seaside settings and features a marine grade stainless steel finish to provide extra durability. Instantly upgrade the appearance of your indoor or outdoor bar and dining areas. These elegant, fixed bases feature stable design with integrated adjustable nylon foot glides for easy placement. The Gamma bases ensure that your restaurant or café has an inviting visual flow to bring in customers. Bases are easy to clean and stand up to harsh outdoor conditions.

- Specially made to sustain marine environments
- Sleek and sophisticated style
- Will not rust, pit, or fade
- Compatible with our Exterior Vanguard and HPL tabletop collections
