MERCHANDISER REFRIGERATORS

SGM-48, SGM-72

Give your business the ability to display your food items in the best possible way with SEAGATE Merchandiser Refrigerators.

The glass door merchandisers come equipped with a white baked enamel interior with adjustable shelves and interior LED lighting for optimal visibility and displaying of your products. The black powder coated exterior provides a sleek modern look, while the top lighted signage panel will attract customers to your display.

Maintaining the temperature range of 33°-40°F is aided by the digital thermostat with LED display. Easily access the bottom mount self contained refrigeration for maintenance, while this unit uses R290 refrigerant to keep your items at their optimal temperature.

SEAGATE, it means a great deal.
