

## **WOOD CRATES AND CADDIES**

In multiple sizes and finishes, our line of wood crates and caddies works hard in any setting. Smaller sizes are a tasteful way to hold condiments, napkins or flatware, while larger crates are sized to fit with polycarbonate and insulated inserts. Best of all, every piece in this line can be flipped over and used as an imaginative riser. Ideal for display only. Not for transport.

## Bamboo Wood Crates and Caddies
