

SBB33

Cubic modular display bin with one full-size three-compartment drawer

Designed to exceed expectations, the cubic modular display bin by Vollrath creates a beautiful presentation in your buffet or serving area. The acrylic construction is impressively durable, which is perfect for self-service. Three clear compartments keep items organized, fresh and highly visible. Each compartment is the ideal size for bread, bagels, fruit and more, making this bin an excellent addition to your serving area.
