ITM2-72

ISLAND TAKEOUT MERCHANDISER

ITM2-72 (Standard)

ecosmart®

- Freestanding, self-service merchandiser designed to provide quality hot packaged foods with minimum labor costs.
- Lighted display maximizes visual merchandising — promotes impulse sales.
- Heat source radiates from the base and the upper canopy with adjustable temperature settings.
- Concealed power and temperature switches are easily accessible to the operator.
- Angled canopy on two sides adds to the clean streamlined look.
- Bumpers on two sides of the unit provide extra protection against damage from shopping carts.

20 gauge stainless steel island base features bumpers on two sides, comes standard with two (2) black painted side panels and two (2) black painted adjustable shelves. An easy to clean hard coat anodized heat plate is surrounded by 2-1/2" (64mm) removable heat guards. The overhead canopy is supported by two (2) side supports, enclosing eight (8) flood lamps and is surrounded by four (4) removable tinted lexan heat guards. Two (2) toggle switches located beneath the canopy control the power (ON/OFF) and the heat plate temperature (LOW/MEDIUM/HIGH). The base is furnished with four (4) 5" (127mm) casters, 2 rigid, and 2 swivel with brake.
