

Flex 600

Electric griddle 600

Steel surface, smooth

Manufacturer: Locher Großküchen-Geräte GmbH

Model: 206432

Description:

Table Top model with smooth griddle special steel FE510, welded 20 mm recessed,

Module made entirely from 304 grade stainless steel. Rounded angles and smooth surfaces enable easy cleaning of the unit. Inspection cover, back cover and lower division plate are removable for servicing. 4 adjustable feet that can be removed for installation on an optional compartment. 20 mm backsplash on the rear. Overhang on left and right side for clamping bar application.

The frying surface is made of special steel with rounded corners, R12, the surface hard chrome plated for a good non-stick effect and roasting results. Front panel with drain shaft (125x35 mm) into a removable grease drawer. The frame is jointlessly from the top of the plate welded (hygiene!), Means that no grease inlet down possible.

The simple operation is carried out by an infinitely variable temperature control via thermostat with operating and heating display. The griddle plate has two separately controllable heating zones.

Included accessories:

Removable splash guard, grease drawer, turning spatula, stainless steel cleaning sponge and lead with CEE 16A

Optional:

- Clamping bar
- Compartement
- Hinged doors for lower compartment (left or right handed)
- Chrome-plated grid to be placed on the splash guard
