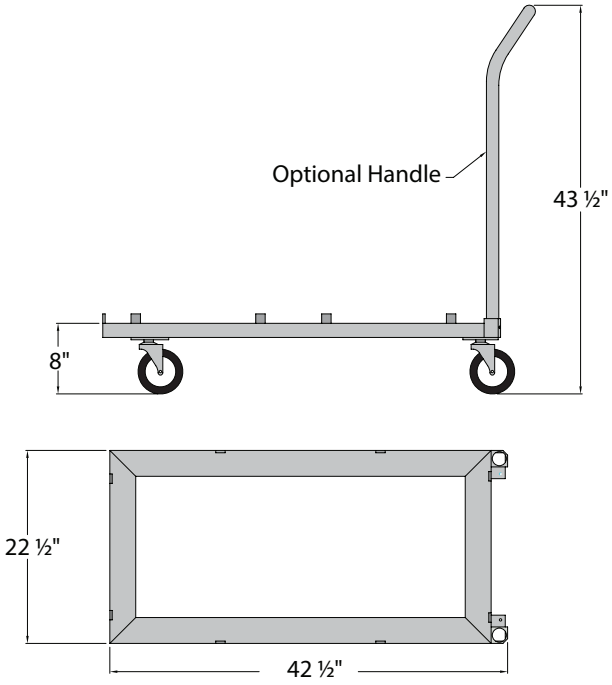
Chill Dolly

1171

1172
shown with one #1174 handle

1173
shown with two #1174 handles

NS968



Ideal for walk-in coolers and freezers, these dollies feature an open-base design that maximizes air circulation to easily chill food. These chill tray dollies supports 20" x 24" containers made by Nestier®, Buckhorn®, and Chillpac® for versatile use in food-processing facilities, institutional cafeterias, and professional kitchens.

Optional handle sockets and caster plates welded to the base allow fuss-free chill tray dolly movement. Built from tough aluminum that resists corrosion and rust, these dollies are built for dependable use in fast-paced, high-volume settings.

- Framework is constructed of 1 ½" x 2" x .070" wall tube with a 1" leg that creates the container stops.
- Equipped with four 5" platform type casters, two swivel and two rigid.
- Weight Capacity = 1000 lbs.
- **Five-Year Guarantee** against workmanship and material defects.
- **Lifetime Guarantee** against rust and corrosion.
- NSF Certified.
