## Stainless Steel Floor Troughs

Winholt's Floor Troughs are the ideal solution for maintaining cleanliness and efficiency in demanding environments. Designed to handle heavy use while promoting a sanitary and safe setting.

### Features:

- Durable 14 gauge 304 all welded stainless steel subway style construction
- 4" Deep tub with removable grate for easy cleaning
- $\frac{3}{16}$ " x 1" Stainless steel grating spaced 1" apart with slight pitch towards drain for easy drainage
- 4" Drain and removable perforated drain basket with handle for efficient debris capture
- Sleek, industrial design engineered for reliable performance

### Benefits:

- Heavy duty stainless steel ensures long-lasting durability in high-traffic areas
- Removable grate simplifies cleaning and maintenance
- Efficient debris capture reduces plumbing issues and downtime
- Promotes a sanitary workspace by managing waste water and runoff
- Supports compliance with health and safety standards in foodservice and industrial environments
