

> E3/3DCS

What is the E3 Range

E3 allows you to create a fixed bar layout with energy efficiency at the heart of your design. E3 Bottle Coolers offer outstanding cooling capacity, impressive display presentation, along with market-leading efficiency: all in a single refrigeration unit.

Some Features of the E3 Range

- Lower power consumption because of robust construction and hydrocarbon refrigerants
- Increased capacity thanks to clever positioning of the integral machine unit
- Remote versions also available, please call for details

Storage capacity

84 x 33cl. Ø60mm

Thermostat

Temperature range +4°C / +8°C,
Temperature settings +2°C / +18°C

Refrigerant

incl. Hydrocarbon R600a
