

CamKiosk® Work Station

Model KWS40

StoreSafe

Features & Benefits

- Stands alone to provide additional work space for preparing food, merchandising menu items and completing sales transactions. Also attaches to the CamKiosk Cart with the optional Bridge Connector to help expand menu options.
- Double-wall, high-density, polyethylene construction is impact resistant and will not dent, crack, bubble, chip or break.
- Steam clean or wipe down with clean water.
- Polyurethane foam core provides added strength and durability.
- Large two (2) door non-insulated storage area below.
- Molded-in handles on both sides are comfortable and easy to use for transporting.
- Four (4) each 6" (15,2 cm) casters, two (2) fixed, and two (2) swivel with brake, allow for easy transport across a lobby floor, lunchroom or campus grounds.
- Paper towel holder, soap dispenser and cutting board are optional accessories.
- Non-electrical.
- No assembly required.
- Available in five (5) solid colors and one (1) color combination.
