Exceptional Performance and Genuine Flavours for Your Shawarma and Gyro Kebabs.

Elevate your kitchen with Potis Natural Gas Shawarma Machines, designed to bring authentic gyro and shawarma flavors right to your business. These gyro grills feature top-notch attributes and precise control, making it easy to prepare delectable shawarma and doner kebabs.

FEATURES

- **Gas Type** — Available in Natural Gas, these vertical broilers fit seamlessly into your existing kitchen setup.
- **BTU** — Robust BTU ratings deliver the heat needed for perfect, consistent cooking.
- **Burners** — Continuous pilots provide immediate ignition, saving energy and allowing precise control of the heating process.
- **Adjustable** — The distance between the cooking spit and burners can be adjusted to control smokiness and flavor as the amount of meat decreases.
- **Space-Saving Design** — A compact footprint lets these vertical broilers fit neatly into any kitchen without taking up unnecessary space.
- **Gas Pipe Connection** — 1/2" gas pipe connection for straightforward installation (natural gas regulator sold separately).
- **Front Heat Shield Panels** — Included as standard equipment on every model, shielding operators from radiant heat at the front of the unit.
- **Motor Head Convertible** — The motor head converts to the rear of the unit using an optional conversion kit (sold separately), for flexible placement.
