

### "BWC" CARE & MAINTENANCE

#### Boos Block<sup>®</sup> Board Cream

**DESCRIPTION:**

Boos Block<sup>®</sup> Board Cream is recommended to be used in conjunction to the Boos Block<sup>®</sup> Mystery Oil. The Board Cream contains unbleached beeswax and food grade mineral oil. The higher wax content provides a long lasting moisture barrier that is perfect for periods of storage or light use.

**FEATURES:**

- Helps Reduce Dryness To Wood Surfaces
- Thicker Formula Provides A Silky Hydrophobic Barrier To The Wood Surface To Help Protect Against Foods And Liquids
- Ideal For Butcher Blocks, Cutting Boards, Wood Countertops And Wooden Culinary Utensils
- All Natural Formula Of Unbleached Beeswax And Food-Grade Mineral Oil
- Safe To Maintain And Preserve All Wood Surfaces For Food Preparations

**CERTIFICATIONS:**
