Specifications

The latest generation of Maxiglass bottle coolers is packed full of innovations! With larger capacity, brighter lights and energy saving features, the best just got better. This model has been engineered with a fully foamed shell, driving significantly improved temperature performance.

The MG3/150G bottle cooler has a hinged glass door, with vertical LED light with even light distribution, so bright we have engineered a dimmer feature! The Maxiglass range uses environmentally friendly R600a refrigerant.

The unit comes with two solid shelves, engineered for stability and ease of cleaning. Locks are supplied as standard.

- ◆ Finish: Anthracite with glass door
