BULK MOVERS

Stainless Steel / Aluminum Bulk Movers

Designed for food handling and transport applications, this cart features an all welded aluminum and stainless steel construction with a removable polyethylene tub. Available with red, white, or blue tubs to support department-specific organization and product separation.

Features:

- Constructed of all welded aluminum and stainless steel
- **Lifetime Warranty Against Rust**
- Red, white, and blue tubs available
- Removable tub is constructed of sanitary, washable and steam-cleanable polyethylene.
- Maneuvers easily on (4) 5" swivel polyurethane casters.

Options:

- **BDP-IAL-ALDP** Aluminum Drip Pan

Benefits:

- Use our efficient department color coding system: blue for fish, red for meat, and white for produce.
- Ideal for all departments - meat, produce, seafood and deli.
- Streamline workflow for food preparation, pack out, and storage.
- Minimize lifting and carrying
- Sanitary and easy to clean
- Safely and efficiently transport items
