Snack System

Models: SNACK-1, -2

The Hatco®/Suntec Snack System will help expand your menu and your sales. With a single or dual electric baker, you can easily switch the replaceable plates to serve breakfast items, lunch foods and a variety of snacks in between. Freshly bake as many or few items as you need, resulting in no waste at the end of the day. Add more variety to your menu in small quantities and increase sales according to the season, time of day and location.

Standard features

- Adjustable time/temperature controls enable operators to cook continuous, consistent quality products
- Exclusive heating elements provide exceptional heat distribution throughout the entire cooking plate, ensuring even cooking of each product
- Four programmable preset buttons for each cooking cycle. A cooking cycle consists of three different settings:
 - Temperature
 - Time
 - Top Cooking Plate Power
- One-touch release with latch opener for easy plate replacement
- Removable/Interchangeable plates are easily cleaned with warm, soapy water
- Compact design is suitable for any location and stainless steel frame provides durability and easy cleaning
- Comes with a cleaning brush, standard Round Belgian Waffle Plates and an additional set of plates of your choosing

Accessories

- Nylon Brush
- Interchangeable Plates - comes with Belgian and one other plate of your choosing -
 - Freestyle
 - Belgian
 - Heart Waffle (Norwegian)
 - Coffee Bean
 - Sandwich
 - Panini
 - Donut
 - Chelky

 For operation, location and safety information, please refer to the Installation and Operating Manual.
