

Foamy Soft

Foaming Hand Soap with Antibacterial Agent PCMX

High foaming hand cleaner containing the antibacterial agent PCMX. pH balanced for use on hands and skin. Rich, stable lather leaves skin clean and refreshed. Ideal for use in offices, schools, clinics, industry, health care, health clubs/fitness centers, preschools, and restaurants, etc. Delightful, fresh scent creates a cleaner, more attractive, environment. For use in refillable foam soap dispenser programs. More economical than sealed cartridge foam systems and has greater yield than traditional liquid hand soaps.

DIRECTIONS

Read the entire label and SDS for proper use, handling and storage before using this product.

1. Wet hands and apply small amount of Foamy Soft in palm of hand.
2. Rub hands together briskly, working lather into knuckles, skin creases and around fingernails.
3. Use fingernail brush to remove soil from under nails.
4. Rinse with water.
