Enclosed Cabinet -Steamtable

95141

Enclosed cabinets are excellent for catering and outdoor events, the unique side panels are designed for loading these cabinets up to maximum capacity with ease!

Specifically designed to hold steamtable/hotel pans for transport and storage.

- Formed door and rear panel create a chimney effect allowing air to circulate freely from top to bottom.
- Solid side panels are composed of interlocking aluminum extrusions with guides spaced on 1½" centers for maximum capacity.
- Units are secured with heavy duty tie rods of 7/8" square tube.
- Equipped with four 5" platform swivel type heavy duty casters with non-marking wheels.
- All welded with all seams fully welded and sealed. No cracks or crevices to trap dirt!
- Five-Year Guarantee against material defects and workmanship.
- Lifetime Guarantee against rust and corrosion.
