

Drop-In Ice Wells

Models: IWB-1, -2, -3, -4, -5, -6

Hatco Drop-In Ice Wells provide all the quality features of our Refrigerated Drop-Ins, but without any refrigeration or electrical components. These ice-cooled, insulated units can hold pre-chilled food products at preferred serving temperatures. Ideal for salad bars, cold buffets and chilled beverage bars. Pan dividers give you greater flexibility in your variety of featured food products.

Standard features

- Full-Size insulated Wells available to hold 1- to 6-pan configurations
- Optimal insulation on sides and bottom ensure better cold retention and cost savings
- Larger 1" brass drain with flat screen simplifies cleaning
- False bottom accessory conveniently holds ice above drain for ease of draining
- Matches the Hatco line of Wells for a fully integrated look

Unique angled inside wall design provides easy access and clear views, while allowing cold air to effectively blanket your food product
