Receiving Desks

Winholt Steel Receiving Desks provide a dedicated workstation for receiving and shipping operations. Available in wall mount, stationary, enclosed stationary, and mobile configurations, each model offers a durable writing surface with integrated storage for daily tasks.

Features:

- Designed for receiving and shipping areas.
- Constructed of heavy duty steel or all welded stainless steel
- Heavy duty steel models are powder coated gray.
- Large solid writing surface.
- Built in pencil and paper compartments.
- Table units include an undershelf for additional storage.
- Available in wall mount, stationary, enclosed stationary, and mobile designs.
- Mobile models are equipped with four 5" heavy duty polyurethane swivel casters.
- Two casters on mobile models include brakes

Options:

- Replacement cylinder lock and key

Benefits:

- Supports organized material handling and documentation processes.
- Keeps paperwork, writing tools, and forms organized and within reach.
- Offers a dedicated surface for recording, inspecting, and processing shipments.
- Adds convenient storage space for frequently used items.
- Allows selection of a configuration that best fits available space and workflow requirements.
- Mobile models can be easily repositioned as operational needs change.
