

# THE ZEROLON SCOOP

Made in USA

**HARDCOAT ANODIZED**

## ZEROLON SCOOP

The Zerolon Scoop includes all of the same great benefits and features as the Original Scoop, but with a Hardcoat Anodized exterior! It is the perfect solution for wherever highly chlorinated or high-mineral content water is present.

HOW TO

**GET MORE!**

**1**

Hold the scoop handle comfortably in either hand, down toward the bowl.

**2**

Draw the scoop toward you at an angle of about 5 degrees.

**3**

Turn the scoop, lifting portion out of the container and press against cone or dish.
