

HDHOT18/HDHOT21/HDHOT24

HEAVY DUTY HOT CUPBOARD

Perfect for care homes, restaurants and canteens, the Parry heavy duty hot cupboard is ideal for back-of-house heated storage of plates and meals. Constructed with easy clean, high grade stainless steel, contents are kept at ready to serve and hygienic temperatures – and are easily accessible using the robust stainless steel doors. The hot cupboard also features durable heavy duty lockable castors making the unit easy to pull out for cleaning.
