STANDARD CONSTRUCTION FEATURES:

- Satin finish stainless steel front and sides
- Welded body construction
- Sturdy, double-wall design of Montague Shelves and Hi-backs eliminates grease-trapping cracks, speeds cleanup
- Standard shelves and high backs are available in 12" (305mm), 18" (457mm), 24" (610mm), 36" (914mm), 48" (1219mm), 54" (1372mm), 60" (1524mm), 72" (1829mm), 84" (2134mm), 90" (2286mm), 96" (2438mm) and 108" (2743mm) widths
- Shelves are available in custom widths
- Specially-designed flues within Montague High Shelves distribute even warmth throughout every square inch of shelf area. Ideal temperatures are maintained for heating plates and keeping food warm.
- Design improvements may affect change to specifications without notice

Note: High shelves not recommended for counter or modular units.
High shelves not recommended over fryers or underfired broilers.

- DHS - 36" (914mm)
- 136 Series Solid Double High Shelf
