Maxx Cold V-Series Single Glass Door Merchandiser Freezer, in Black

MVMF23B

The Maxx Cold V-Series Single Glass Door Merchandiser Freezer is a smart investment offering a visually appealing way to showcase and sell your frozen products. This cost-effective commercial merchandiser freezer measures 27"W and has a capacity of 23 cubic feet. It is constructed of a powder-coated steel exterior and a powder-coated aluminum interior. The unit has an easily accessible bottom mount for cleaning. This commercial display freezer has one triple-pane heated and insulated glass door.

FEATURES AND CONSTRUCTION

- Automatic defrost system
- Easily accessible bottom mount for cleaning
- Constructed of a powder coated steel exterior and powder coated aluminum interior
- One triple pane heated and insulated glass door allows customers to easily see the contents
- Interior LED lighting illuminates the contents of the merchandiser, enhancing product visibility and presentation
- 3 adjustable heavy-duty PE-coated wire shelves
- 4 rollers (2 with leveling feet)
- Digital controls with LED temperature display
- Automatic defrost system
- Includes lock and key set for security
- Illuminated top panel for advertising and promoting products
- Equipped with integrated condensate evaporator; therefore, no drain line connection is needed
