

Original PigTail Food Flipper®

The innovative tool that flips, turns and lifts everything from a rack of ribs to steaks, tenderloins, chicken, bacon, corn on the cob, potatoes, you name it!

FEATURES

- The Pigtails hook and shaft are made of surgical grade stainless steel for strength and durability.
- Eliminates need for multiple cooking tools such as tongs, forks and spatulas.
- The 19 inch Pigtail is great for the grill, oven, broiler, smoker or campfire.
- The 12 inch Pigtail is ideal for the grill, as well as indoor cooking on the stove top.
- Excellent for food service applications; reduces potential for carpal tunnel injuries.
- Great for grabbing and dipping when battering eggplant, chicken breasts, etc.
- The razor sharp hook will not leave marks in the meat or cause meats to bleed.
