

Mobile Utensil Rack
Dry and Store Utensils.

Utensil Drying and Storage.

Safely Dry and Store Utensils.

Contain utensils in one mobile footprint that utilizes vertical space with a Metroseal Green epoxy utensil rack with SmartWall® grids. Safely hang utensils to air dry on prong hooks with proper air circulation without worrying about bacteria growth.

Metroseal Green epoxy components are rust resistant and perfect for applications in wet or damp environments. Metroseal contains built-in Microban® antimicrobial product protection to protect the product from bacteria, mold, mildew, and fungus that causes odors and product degradation.

The easy order part number includes everything pictured and ships in one box!
